EXPERIENCED KS2 TEACHER

(from Sept 2017)

Maryland Primary School is a vibrant two-form entry school where teachers feel valued, supported and motivated. Behaviour is outstanding and we were graded 'GOOD' with many outstanding features in the OFSTED inspection in 2013.

We are looking for an excellent, committed KS2 practitioner who will extend and build on current good practice. Candidates will, ideally, have one or two years' experience and have aspiration for middle management, ideally ICT-linked.

There is much that makes *Maryland* unique:

- Curriculum innovators.
- Independent research projects and initiatives that improve standards. See school website 'Our initiatives'.
- Stable staffing –all but one classroom teacher was a NQT in the school. Long-serving support staff.
- HT and the rest of the leadership team train, coach, moderate and mentor externally.
- Nurture staff ambition and provide CPD to realise that ambition. We also foster an environment where potential is recognised, highlighted and encouraged.
- Model school for RWI since 2006.
- Model school for Google Education
- 2016 Newham debate winners. Awards for choir, nature garden, dance troupe.
- wE-PUBLISH* website dedicated to publishing pupils' writing <http://www.marylandwepublish.org/>
- High level of parental engagement and satisfaction.
- Cluckingham Palace* where our beloved hens provide us with eggs and learning opportunities.
- RHS Award winning *Nature's Garden* – our rich resource for outdoor learning. Also offered as a resource to other schools.
- Prevailing environment of calm and common purpose and a place children enjoy coming to every day.

We welcome visits from potential candidates. Please call 020 8534 8135 to arrange an appointment. The schools in this authority have a commitment for Safeguarding Children and this post is subject to an enhanced DBS check and references.

If shortlisted, references will be sent for before interview. If called to interview, candidates will need to bring photo identification to the interview.

Closing date for applications is Friday 26th May 2017. Interviews during the half-term holiday.

Please check our website for more information.
