

Could you be a governor at Maryland Primary School?

MARYLAND PRIMARY SCHOOL

Our leadership team

“Set high expectations for what pupils can achieve
‘No one is left behind’ ”

OFSTED 2017

What does the role involve?

Are you **committed** to our school? Can you annually attend all 7 meetings (full board and sub-committees) as well as planned awaydays to work alongside the governing board as a **team**?

Together we will:

- shape the strategic direction of the school
- continue to improve outcomes for all pupils
- promote Maryland’s positive ethos to all including the wider community

Do I need any skills or knowledge?

Not necessarily.

We may, depending on the needs of the school, advertise for governors with particular skills or interests. However if you have an **aspirational attitude** our governing body wants you. Training opportunities will be provided to ensure you become effective within your role.

You should have a willingness to contribute ideas and be part of challenging discussions and ultimately, above all else, **always support Maryland** in your role as a critical friend.

Interested in applying?

All parents, carers and guardians of children at the school are eligible to stand as candidates.

Please visit the website below to check for vacancies and for more information about the school’s **expectations** of Maryland governors. Here you can also download an application form:

www.maryland.newham.sch.uk

If you would like a paper application please collect a form from the school office.
