

Assistant Head Teacher

Mrs Nicole Morbin

Before studying for my PGCE, I graduated with a BA in History from the University of East Anglia. I qualified as a teacher in 2011 and have taught across London in Richmond upon Thames, Waltham Forest and Newham. I began in my role as Assistant Headteacher at Maryland Primary School in April 2018 after two years in a similar senior leadership role in another school. I completed my National Professional Qualification in Senior Leadership in 2016. I love how enthusiastic the pupils and staff are at Maryland. I teach a number of classes, providing cover for teachers, and am always delighted by the passion for learning I see around the school.

My role at Maryland Primary School:

I work closely with the rest of the senior leadership team to develop the school through strategic planning. I also support with the daily running of school life.

My specific areas of responsibility are:

- Leading on STEM (Science, Technology, Engineering and Maths) teaching and learning across the school
- Mentoring teachers
- Monitoring of standards
- Appraising other staff members
- Working as a lead teacher to model and share good practice
