

Free School Meals update

Dear Parent/Carer,

We are still waiting for information from the government about the national voucher system for free school meals pupils. For next week we can make arrangements for families to collect a food box from the school, which will contain a range of provisions to last the week. Our catering company are still finalising what items the food box will contain but here is a suggested list:

- Juice
- Pasta
- Milk
- Wholemeal bread
- Tinned sweetcorn
- Baked beans
- Cornflakes
- Other cereal
- Mini biscuit pack
- Eggs
- Selection of fruit

If you wish to take up the offer of collecting the food box on Monday 30th March, please email info@maryland.newham.sch.uk by 12pm on Thursday 26th March. We will then update those families wishing to collect a box of timings for collection.

Regards,

Mrs Jackson
