

PARENTAL CONSENT AND AGREEMENT

I, the undersigned, agree/consent:

HEALTH AND SAFETY

1. For health and safety reasons, my child should wear school uniform, which is designed to be safe for school wear. He/she must wear shoes that are flat and will not slip off. Backless shoes and open toed sandals are not safe to wear in school. Socks or tights must be worn with all footwear.
2. My child must have the correct P.E. kit (as set out in the Parent Pack).
3. My child is not allowed to wear jewellery to school (as set out in the Parent Pack). Teachers will not be responsible for any jewellery brought to school.
4. I understand that if my child should need emergency medical treatment, every effort will be made to contact me (on my up to date contact information which I have provided to the school) before treatment is given. If, however, this is impossible, I give my consent to my child undergoing emergency medical treatment.
5. Junior children may come to school and go home alone, provided the school receives written permission from a parent/carer. This rule applies to after school clubs as well. In winter, clubs finish when it is dark, so it is safer to collect your child.

CURRICULUM

1. During the academic year, it is expected that various trips will be organised during the school day to support the teaching of the National Curriculum. I have completed this general consent form. All trips will be subject to the general conditions set out below, unless specifically notified otherwise in writing.
 - a) I agree to my child taking part in local visits and day trips, which may occur from time to time during the course of the school year.
 - b) I understand that the school and the organisers will take all reasonable and proper precautions for the care and safety of my child and of his/her personal property. I also understand that the Council and the organisers will only be responsible for any injury or loss of personal property if this is caused by the Council's negligence.
 - c) I agree to inform the school of any relevant medical or other special circumstances affecting my child, including any treatment required during the course of a visit.
 - d) I understand that if my child should need emergency medical treatment, every effort will be made to contact me before treatment is given. If, however, this is impossible, I give my consent to my child undergoing emergency medical treatment.
2. The National Curriculum requires children to learn about the world's main religions. Assemblies include non-denominational worship and may include visits from religious leaders groups and peripatetic teachers who are experts in their field. The school encourages visits to religious places.
3. My child is required to participate in lessons and assemblies. The school encourages all children to participate in Citizenship, Personal, Social and Health Education (CPSHE), including exploring social emotional and physical aspects of growing up. This is taught by a Newham school nurse. Parents are welcome to see all such educational materials prior to their child's lesson.
4. I have signed the school's online safety agreement (attached).

DATA PROTECTION ACT

The information provided on this form will be used to monitor student performance whilst studying at Maryland Primary School, and for administration and educational research purposes. This information will also be disclosed to other professional bodies in order to effectively manage the provision of education services. If you require further information please contact the Headteacher.
